

Wakayama University  
Center for Tourism Research

## Sustainable Agritourism Workshop

Venue:

Center for Tourism Research

Conference Room 107

South Building 1Fl.

Faculty of Economics

Wakayama University

**Friday**

**Oct. 20, 2017**

**10:50-12:20**

## Green Tourism in the Tea Cultivated Communities

The decline of tea consumption in Japan and Thailand affects small tea producers. Green tourism plays an important role to rejuvenate the tea industry and food sustainability in the tea cultivated communities.

### Emerging Thai Tea and Tourism Development

Dr. Piyaporn Chueamchaitrakun

Tea Institute, Mae Fah Luang University

### Sustainable Green Tourism Development in the Tea Villages of Tawara and Huey Nam Guen

Dr. Amnaj Khaokhrueamuang

Center for Tourism Research, Wakayama University

Come to join us and taste the variety of Thai and Japanese tea!
